Re: Docket Nos. 980946-TL, 980947-TL, 980948-TL, 981011-TL, 981012-TL and 981250-TL

Dear Ms. Bayo:

The following statement regarding the status of the proceedings is submitted on behalf of Teleport Communications Group, Inc./TCG South Florida ("TCG") in response to the Notice of Commission Status Conference issued on June 18, 1999, in these consolidated dockets.

TCG submitted a revised application for physical collocation as to the North Dade Golden Glades Central Office in response to BellSouth's June 1999 request. To date, TCG has not received any response from BellSouth concerning TCG's revised application. Consideration of the issues of whether and when any remaining disputes over the terms of BellSouth's proposed offers of space for physical collocation should be set for hearing, necessarily must await BellSouth's responses to the requesting parties' revised applications.

Please acknowledge receipt of this document by stamping the extra copy of this letter "filed" and returning the copy to me. Thank you for your assistance with this filing.
