**JOINT PETITION OF BELLSOUTH TELECOMMUNICATIONS, INC.  
AND SPRINT-FLORIDA, INC.  
TO TRANSFER TERRITORIES IN ORANGE AND HERNANDO  
COUNTIES AND TO AMEND CERTIFICATES**

BellSouth Telecommunications, Inc. ("BellSouth") and Sprint-Florida, Incorporated ("Sprint"), pursuant to Rules 25-4.005 and 28.106.201, Florida Administrative Code, jointly petition the Florida Public Service Commission (the "Commission" or "FPSC") to modify certain exchange boundaries in Orange and Hernando Counties and to amend the companies' certificates accordingly. In support of this petition, BellSouth and Sprint state as follows:

1. BellSouth is a telephone company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the Commission pursuant to Chapter 364, Fla. Stat. BellSouth provides service in Florida under FPSC Certificate of Public Convenience and Necessity No. 8.
2. Sprint is a telephone company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the Commission pursuant to Chapter 364, Fla. Stat.

4. Sprint's principal place of business in Florida is 555 Lake Border Drive, Apopka, Florida 32713.

6. BellSouth and Sprint seek four exchange boundary changes in this petition. The first boundary change is to move a portion of the proposed Riverfront Apartment Complex, located in Orlando, Florida, and a portion of the proposed Econ River Estates Subdivision, located in Orlando, Florida, from the Sprint Winter Park Exchange to the BellSouth Orlando-Azalea Park Exchange. Copies of the proposed service area maps are attached as Exhibit A.

7. The Riverfront Apartment Complex is an established community within the BellSouth Orlando-Azalea Park Exchange. The northern portion of the Riverfront Apartment Complex is located in the Sprint Winter Park Exchange. No subscribers would be affected by modifying the BellSouth Orlando-Azalea Park Exchange to include all of the Riverfront Apartment Complex.<sup>1</sup>
8. Thirty-three of the 91 residential lots in the Econ River Estates Subdivision are located in the BellSouth Orlando-Azalea Park Exchange; the remainder are in the Sprint Winter Park Exchange. The Econ River Estates is an established community. Currently BellSouth, with Sprint's acquiescence, is providing service to fifty-eight subscribers located in the Sprint Winter Park Exchange. Fifty-eight subscribers would be only nominally affected by modifying the BellSouth Orlando-Azalea Park Exchange to include the entire Econ River Estates subdivision since their service is currently provided by BellSouth.
9. The second boundary change is to move part of the proposed Plateau subdivision into the Sprint Trilacoochee Exchange. Thirteen of the 52 residential lots are located in the BellSouth Brooksville Exchange; the remainder are in the Sprint Trilacoochee

---

<sup>1</sup> As shown in the attached map as Exhibit A, the Riverfront boundary change for the Riverfront Apartment Complex is merely to include a very small portion of common area and parking lot where no customers reside (or will likely ever reside). BellSouth and Sprint did not include this area in the notices since it could not have any conceivable customer impact, would have confused Riverfront residents and is not required to be noticed under the rule.

Exchange. No subscribers would be affected by modifying the Sprint Trilacoochee Exchange to include the entire Plateau Subdivision because no houses have been built yet. Copies of the proposed service area maps are attached as Exhibit B.

10. The third boundary change is to move part of the proposed Windermere Chase Subdivision to be located in Winter Garden, Florida, from the BellSouth Orlando-Pine Hills Exchange to the Sprint Winter Garden Exchange. No subscribers would be affected by modifying the Winter Garden Exchange to include the entire Windermere Chase Subdivision because no houses have yet been built. A Copy of the proposed service area map is attached as Exhibit C.
11. The fourth boundary change is to move part of the proposed Westminster Reserve Subdivision into the BellSouth Orlando-Pine Hills Exchange. The majority of the residential lots in the subdivision are located in the BellSouth Orlando-Pine Hills Exchange. This subdivision is an established subdivision with only nine houses located in the Sprint Windermere Exchange. Currently BellSouth, with Sprint's acquiescence, is providing service to the nine houses located in the Sprint Windermere Exchange. Nine subscribers would be only nominally affected by modifying the BellSouth Orlando-Pine Hills Exchange to include the entire

Westminster Reserve Subdivision since their service is currently provided by BellSouth. A Copy of the proposed service area map is attached as Exhibit D.

---

12. Upon the Commission's approval of the modifications proposed herein, the parties will file the final tariff sheets for administrative approval.
13. No financial exchange or consideration was, or shall be, given for this proposed transfer of Certificated Areas. This Joint Application is the only written agreement between the applicants.
14. The present boundary lines are generally along section lines, and roads and streets. In some cases, the existing boundary bisects planned subdivisions located in both companies' territories. In addition, the present boundaries may bisect individual lots in planned subdivisions, rendering provision of service difficult. This application is sought to permit revision in company boundaries, which will not divide planned subdivisions, and to move the existing boundary to more readily discernible terrain features. It is intended that the boundary line redefinitions will minimize, if not negate, the future possibility that boundaries in these areas could bisect subdivisions or individual lots, thereby rendering the boundaries more usable in the provision and administration of service.

15. Both BellSouth and Sprint have agreed that the requested transfer of service area is feasible from an economic standpoint and beneficial to the subscribers of both companies.

---

16. Pursuant to FPSC Rule 25-4.005, the required affidavits are attached to this Joint Petition as Exhibit "E", and certify that notice of intention to file the Petition has been given to those parties set forth in the above cited rule.

WHEREFORE, Sprint and BellSouth request that this Joint Petition be considered, and that the FPSC redefine the boundaries of the Petitioners' Certificates of Public convenience and Necessity as requested in the Petition, and that the FPSC enter an appropriate order to effectuate such a redefinition.

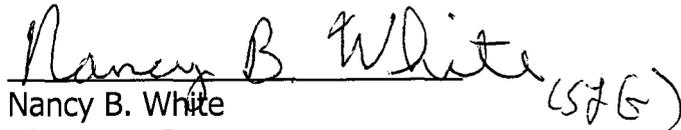

Respectfully submitted this 23<sup>rd</sup> day of July, 1999.

BellSouth Telecommunications, Inc.

July XX, 1999

Dear Customer,

This is to advise you that Sprint-Florida, Inc. and BellSouth Telecommunications, Inc. will be filing a petition with the Florida Public Service Commission to modify certain exchange boundaries located in Orange and Hernando counties. These boundary changes will place all of the areas in question wholly within one exchange.

Currently BellSouth, with Sprint's approval, is providing service to customers outside of its service territory. However, due to an oversight the necessary approval was not obtained from the Florida Public Service Commission (FPSC) before providing services. The FPSC has requested that BellSouth and Sprint provide information in this notice regarding the differences in local service rates, local calling areas, and local calling plans for your review. (See Attachment A)

The proposed boundary changes include:

1. The Econ River Estates Subdivision from the Sprint Winter Park exchange to the BellSouth Orlando exchange.
2. Part of the Plateau Subdivision located in Trilacoochee from BellSouth's Brooksville exchange to Sprint's Trilacoochee exchange.
3. Part of the proposed Windermere Chase Subdivision located in BellSouth's Orlando exchange to Sprint's Winter Garden exchange.
4. The Westminster Reserve Subdivision located in Sprint's Windermere exchange to BellSouth's Orlando exchange.

For the residents of the Econ River Estates Subdivision or the Westminster Reserve Subdivision, BellSouth is already providing your telephone service. This boundary change will not affect your telephone service, rates, calling area or calling plans.

If you have any questions, please call one of the following:
