Dear Mr. Tubolino:

However, Pursuant to Section 367.091(5), Florida Statutes, an application to establish, increase, or change a rate or charge must be accompanied by a cost justification. In order to complete the process for your tariff filing, you need to provide a justification for the costs associated with the proposed charge, and further break down the \$25 proposed charge by components such as: office costs associated with recording keeping, office costs associated with payment processing, field costs associated with transportation, and field costs associated with labor.

Your timely response is critical for processing your filing in the most expedient manner, please provide the above requested information no later than August 27, 1999. If you have any questions please call Min Chu at (850) 413-6968.
