RE: DOCKET NO. 981890-EU - Generic investigation into the aggregate electric utility reserve margins planned for Peninsular Florida.

Issue 1: Should Florida Power Corporation's and Florida Power & Light Company's Requests For Oral Argument be granted?

Recommendation: No. FPC and FPL have failed to comply with the specificity requirements of Rule 25-22.050, Florida Administrative Code, regarding requests for oral argument. However, this is a decision prior to hearing. The Commission has the discretion to allow interested persons to participate.

DOCKET NO. 981890-EU - Generic investigation into the aggregate electric utility reserve margins planned for Peninsular Florida.

(Continued from previous page)

Issue 2: Should Florida Power Corporation's and Florida Power & Light's Motions For Reconsideration of Order No. PSC-99-1274-PCO-EU, issued July 1, 1999, Docket No. 981890-EU, be granted?

Recommendation: No. FPC's and FPL's Requests For Reconsideration do not identify a matter of fact or law which the Commission overlooked or failed to consider in rendering the Order. Both Motions For Reconsideration reargue matters previously considered by the Prehearing Officer. In addition, the Motions fail to identify a mistake of fact or law. Therefore, both Motions should be denied.
