Re: Docket No. 990820-TC

Dear Ms. Johnson:

Sprint is writing in response to staff's recommendation to issue a show cause for violation of Commission Rule 25-24.515. Sprint's investigation of the matter presented by staff indicates that a mistake was made as a result of the method utilized to communicate the appropriate information to a technician concerning the on site tests to be performed pursuant to the noted violation.

In an effort to resolve this matter without requiring a hearing or further proceedings, Sprint is willing to make a voluntary contribution of \$100.00 to the general fund of the State of Florida. In addition, the Company has already undertaken an educational effort within the payphone operations to avoid a repeat of this situation.

We request favorable consideration of this offer of settlement and urge a favorable recommendation of acceptance to the Commission.

Please call me at 850-847-0244 if you have any questions.

Sincerely,

Charles J. Rehwinkel
Senior Attorney
