After a thorough and extensive review of the records concerning Docket No. 981890-EU, the discovery document filed by James A. McGee, Florida Power Corporation, titled: letter notification of response to staff's 1st set of interrogatories, which was filed with the Office of Commission Clerk on August 2, 1999, could not be located; therefore, there are no electronic records associated with the document number.

If you have any questions concerning these comments, please contact the Office of Commission Clerk.
