Docket No. 990108-TP

Dated: August 3, 1999

STIPULATION

Access One Communications, Inc. ("Access One") and BellSouth Telecommunications, Inc. ("BellSouth") have agreed to resolve Issue 4 in this matter. Issue 4 concerned the question of whether BellSouth offers the same repair scheduling options to Access One customers that it offers to its own retail customers. BellSouth represents and confirms that it offers all ALEC customers the same repair scheduling options that it offers its own retail customers and will continue to do so. Based on this representation, the parties believe that there is no need for the Commission to address this issue and request that the Commission delete this issue from the list of issues to be decided in this matter.

Respectfully submitted this 3rd day of August, 1999.
