HAND DELIVERY

Re: Docket No. 981213-GU  
Petition by Florida Division of Chesapeake Utilities Corporation for approval to issue common stock and secured and/or unsecured debt and to exceed limitation placed on short-term borrowings in 1999.

Dear Mr. Elias:

This will confirm the substance of our telephone conversation this morning. There is a material error in Order No. PSC-99-1540-FOF-GU, issued on August 4, 1999. The fourth paragraph of the narrative portion of the Order erroneously states that the Company is not requesting a change in the aggregate amount of stock. As discussed at the July 27<sup>th</sup> agenda conference, the Company is not requesting a change in the aggregate amount of debt.

We therefore respectfully request issuance of an amendatory order, as soon as possible.

Thank you for your assistance.

Sincerely,

Wayne L. Schiefelbein
