Re: Request for Confidentiality in Docket No. 970281-TL

Dear Ms. Bayo:

The Commission has previously entered an Order (PSC-98-0322-CFO-TP) granting BellSouth's Request for Confidential Classification in Docket No. 970281-TL, which will expire on August 24, 1999. Since this docket has been closed and the Communications Division Staff no longer has need for the confidential documents in its possession, I am requesting that these documents be returned to BellSouth.

Please contact Nancy Sims (850-222-1201) at your earliest convenience to make arrangements for BellSouth to pick these documents up. Thank you for your help in this matter.

Sincerely,

J. Phillip Carver
