Dear Ms. Bayo:

Hyperion is claiming that the enclosed materials are "*confidential and proprietary*" under Section 364.183 (1), F.S. and that the same be kept under seal. As per your staff's request, I have highlighted those parts that Hyperion is claiming to be confidential and proprietary. I have also enclosed two (2) copies of a redacted version, whereby, the confidential material has been "blacked-out".

Please evidence acceptance of this filing by time stamping the enclosed extra cover sheet and returning the same in the enclosed envelope. Thank you for your cooperation. Please call me should you have any questions, I can be reached at (412) 220-5079.

Sincerely,
