RE: Deferral of Item Number 38, August 17, 1999, Agenda Conference, Docket No. 990489-WS - Application by Florida Cities Water Company, holder of Certificate Nos. 027-W and 024-S in Lee County and 007-W and 003-S in Brevard County, and Poinciana Utilities, Inc., holder of Certificate Nos. 146-W and 103-S in Polk and Osceola Counties, for transfer of facilities to Florida Governmental Utility Authority and cancellation of Certificate Nos. 024-S, 007-W, 003-S, 146-W, and 103-S.

On August 17, 1999, counsel for Florida Cities Water Company (FCWC or utility) and Poinciana Utilities, Inc. (PUI) orally requested deferral of Item Number 38, which addresses FCWC's and PUI's application for transfer of facilities to Florida Governmental Utility Authority. The utility's application provides for transfer of all FCWC facilities in Lee County, with the exception of its Fort Myers Beach system.

As grounds for deferral, FCWC indicates that it is in the process of arranging a sale of the Fort Myers Beach system to Lee County. This sale would enable the Commission to approve transfer of all FCWC Lee County facilities simultaneously, thereby promoting administrative efficiency. Staff has no objection to FCWC's requested deferral.

The stamp contains several handwritten signatures and initials, including what appears to be 'ASB' at the top and a large signature at the bottom right.
