Dear Mr. Schmidt:

On May 29, 1998 BellSouth and MCI Metro Access Transmission Services, Inc. filed an Amendment to the Interconnection Agreement between our companies for approval by the Florida Public Service Commission. This Amendment establishes final rates for previously ordered interim rates by the Commission.

It has been brought to our attention that two of the rates contained in that Amendment were incorrect. As a result of the Order on Reconsideration on June 25, 1998, the nonrecurring rates for Directory Transport Installation, per trunk or signaling connection were lowered as follows:

Element	Previous	Correct
NRC - 1 st	\$332.42	\$206.06
NRC - Add'l	\$8.82	\$4.71

Attached is the corrected page per the Order of Reconsideration. If you will please initial the changes and return to me, I will obtain the proper BellSouth initials and forward to the Commission to be inserted into the pending Amendment. I will also send you a fully executed copy for your files.

I am sorry for any inconvenience this has caused. Please feel free to call Pat Finlen at (404) 927-8389, or me at the above number, should you have any questions.

Sincerely,
