====NOTE=====7/20/99=11:39am=====

Tommy, is CoreComm operating in Florida as OCOM Corporation d/b/a Cellular Long Distance? CoreComm doesn't have a certificate, does it? I'm asking because of the statement in the first page of this 7/16/99 letter "Corecomm is certified to provide interexchange services in Florida and obtained its interexchange certificate on August 24, 1998." That's when a transfer of control order was issued, but the order stated that OCOM would continue to operate under its own name. We don't have a tariff with the name CoreComm on it, do we? Kay

.....
In Docket 980676-TI we approved the transfer of control to CoreComm which does not need to have a change in the tariff name. It remains OCOM Corporation.....d/b/a

Fwd=by:=Kay=Flynn=====7/20/99==2:58pm=====

Fwd to: Tommy Williams
.....
Should we mention in the title that the operations will be in the name OCOM?

Yes mam, use the certificated name we have on file. How was lunch.
Fwd=by:=Kay=Flynn=====7/20/99==3:15pm=====

Fwd to: Tommy Williams
.....
Is it possible that OCOM's name should have been changed in Docket 980676 to CoreComm?

Fwd to: Kay Flynn
.....
Nope.
Fwd=by:=Kay=Flynn=====7/20/99==3:20pm=====

Fwd to: Tommy Williams

So are you saying I need to include OCOM in the docket title for this newest docket?

Yes mam

Per our conversation today with regard to the transaction between CoreComm Newco, Inc.. and USN Communications Long Distance, Inc.. (USNC-LD), please cancel USNC-LD's existing certificate to provide intrastate, interexchange telecommunications services in Florida, as well as USNC-LD's intrastate long distance tariff. CoreComm Newco, Inc.. will be filing a revised long distance tariff shortly, which will reflect the terms and conditions of USNC-LD's tariff.

Thank you for your attention to this matter. Please call or e-mail me with any questions. Sincerely, Sara Seidman
