 RE: Docket No. 980657-WS - Application for amendment of Certificates Nos. 279-W and 226-S to add territory in Seminole County by Florida Water Services Corporation.

On May 15, 1998, Florida Water Services Corporation (FWSC or utility) filed an application for amendment of Certificates Nos. 279-W and 226-S to add territory in Seminole County. Timely protests to the application were filed, and accordingly, this a hearing was scheduled for October 14-15, 1999.

Pursuant to settlement negotiations with the utility, each of the protesting parties in this case have subsequently filed letters withdrawing their respective protests, obviating the need for a hearing. For the final disposition of this case, Commission Staff will prepare a recommendation for the Commission's consideration on the utility's amendment application.

Therefore, please:

- 1) Cancel the Prehearing Conference scheduled for September 27, 1999; and
- 2) Cancel the Hearing scheduled for October 14-15, 1999.

Thank you.
