Re: **Resort Hospitality Services Ltd. d/b/a TelSouth
Infringement of "BellSouth" Trademark
Docket Nos. 990985-TX and 990985-TX**

Dear Mr. Pringle:

I represent BellSouth Telecommunications, Inc. ("BellSouth"). BellSouth Intellectual Property Corporation ("BIPCO"), an affiliate of BellSouth, is the owner of certain marks which are licensed to BellSouth Corporation and its subsidiaries, including but not limited to, BellSouth.net, Inc., BellSouth Mobility, Inc., BellSouth Telecommunications, Inc., and BellSouth Advertising & Publishing Corporation. These entities provide a wide range of telecommunications, Internet, and other telecommunications goods and service to the public.

It has come to our attention that you have applied to the Florida Public Service Commission to provide interexchange carrier services (Docket No. 990949) as well as to be an ALEC (Docket No. 990985) under the trade name "TelSouth".

As you may be aware, all of AT&T's rights in BELL and the BELL Symbol mark were assigned to BellSouth Corporation, Ameritech Information Technologies Corp., Bell Atlantic, NYNEX, Pacific Telesis Group, Southwestern Bell and U.S. West Inc., as well as Cincinnati Bell and Southern New England Telephone Company at divestiture. BellSouth's rights have been assigned to BellSouth Intellectual Property Corporation (BIPCO). Additionally, BIPCO is the owner of a family of "Bell Marks" including, but not limited to those represented

FPSO-RECORDS/REPORTING

by Registration Nos. 1,327,677, 1,327,695 and 1,569,327 for the Bell Symbol, Registration No. 1,565,562 for the mark BELL, Registration Nos. 1,459,196 and 1,565,559 for the mark BELLSOUTH, Registration No. 1,459,998 for the mark SOUTHERN BELL, Registration No. 1,459,194 for the mark SOUTH CENTRAL BELL, and Registration No. 1,602,875 for the mark SOUTHERN BELL SAVER. BellSouth Corporation and its subsidiaries, including BellSouth, are currently licensed to use these marks in connection with telecommunications, cellular phones and services, Internet access, web page design and web hosting, on-line and printed directory publishing and related advertising services, and other communications goods and services. Copies of these federal registrations are attached for your reference.

Because "BellSouth" and "TelSouth" look and sound very similar and are used on identical goods and services, your use of TelSouth creates a likelihood of confusion among the consuming public in that the public will be deceived into believing that there is some connection or affiliation between your company and "BellSouth". Such use also dilutes the significance and distinctive quality of our famous trademark and brand name which as been built up through extensive use of BELLSOUTH since 1984. Such use constitutes trademark infringement an unfair competition under federal and state law and also causes dilution of our ownership rights in our famous marks under federal and state law. We therefore demand that you immediately discontinue all use of TelSouth.

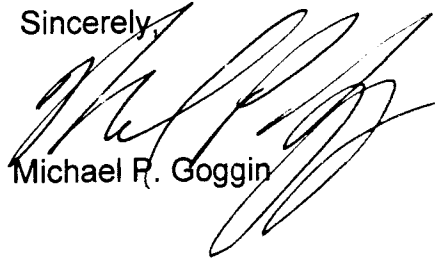

We have filed motions to intervene in the applications you have filed with the Florida Public Service Commission in which you seek permission to operate as an interexchange carrier and as an ALEC. This letter, a copy of which has been provided to the Commission, will serve as our formal objection to your applications. While we have no objection to your company being given authority to operate as a telecommunications carrier under a name that would not infringe BellSouth's trademarks, we contend that the use of the name "TelSouth" in connection with the offering of telecommunications services is likely to confuse and deceive the public and would be contrary to the public interest.

I look forward to receiving your written assurances within five (5) days of your receipt of this letter that you have (1) filed a change of name notice with the Florida Public Service Commission changing your trade name to one that does not infringe our rights (2) ceased the use of the TelSouth trade name and changed the name of the company with the Secretary of State or any governmental agency with which you may have filed for registration, (3) discontinued all use of TelSouth as part of any name or mark in advertising, (4) destroyed all tangible material (such as stationary, business cards, forms, fliers, coupons, etc.) on which it appears, and (5) that you will refrain from infringing BIPCO's trademark rights in the future or that you will take immediate steps to accomplish the foregoing.

If I do not receive the requested response, we will take such action as we deem appropriate to protect our marks without further notice to you.

Thank you in advance for your prompt cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael R. Goggin", written over a printed name.
