RE: Docket No. 981781-SU - Application for amendment of Certificate No. 247-S to extend service area by the transfer of Buccaneer Estates in Lee County to North Fort Myers Utility, Inc.

Request for Extension of Time to File Recommendation for September 7, 1999 Agenda Conference

We are requesting an extension of time to file a recommendation for the September 7, 1999 agenda conference. The recommendation will address the approval of a stipulation between the Office of Public Counsel and the utility. It is staff's understanding that the executed stipulation will be filed on Tuesday, August 31, 1999.

A prehearing was held on August 30, 1999. The prehearing was continued to allow staff to file a recommendation on the stipulation for the September 7, 1999 agenda conference. Staff believes that if the stipulation is approved, the issues that are currently set for the September 14 and 15, 1999 hearing will be resolved. In order to adequately address this matter, staff requires additional time to receive the executed stipulation and prepare its recommendation. Therefore, staff requests that it be allowed to file its recommendation by 4:00 p.m., Friday, September 3, 1999.
