Certificate No. 4694. Common Concerns has stated that the transaction will be virtually transparent to its customers in Florida and it will not affect the services being provided. Common Concerns has further stated that it will continue to operate under its existing certificated name and tariff on file with this Commission.

In accordance with our authority under Section 364.33, Florida Statutes, to approve the acquisition or transfer of majority organizational control or controlling stock ownership of a telecommunications company providing service in Florida, we have reviewed the Petition of Common Concerns and Washoe Technology, and find it appropriate to approve it. We have based our review and decision upon an analysis of the public's interest in efficient, reliable telecommunications service. Our decision does not address the potential impact of the transfer on the competitive market in Florida, or on the companies' or their competitors' interests. We emphasize, however, that our approval of the Petition pursuant to our authority under Section 364.33, Florida Statutes, does not preclude us from addressing any of our concerns that may arise regarding this transaction to the appropriate federal or state agencies.

Based on the foregoing, it is,

ORDERED by the Florida Public Service Commission that Common Concerns, Inc. and Washoe Technology Corporation's request for approval of transfer of control from Common Concerns, Inc. to Washoe Technology Corporation is hereby approved. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.
