RE: Deferral of Docket No. 990894-EI, Petition by Florida Power Corporation for Approval of revised Rate Schedule LS-1, Lighting Service, providing an up-front payment option in lieu of monthly fixture and pole charges, and a related Standard Form Contract.

On July 9, 1999, Florida Power Corporation filed a Petition for Approval of revised Rate Schedule LS-1, Lighting Service, to provide an up-front payment option in lieu of monthly fixture and pole charges, and a related Standard Form Contract. Staff filed a Memorandum August 19, 1999, to be considered at the August 31 Agenda Conference. Commissioner Jacobs requested deferral of this item and asked staff to clarify its recommendation. Since the 60-day suspension date is September 7, 1999, this item must be considered at the September 7 Agenda Conference. Staff therefore requests permission to file a revised Memorandum for Docket No. 990894-EI on September 2 to be considered at the September 7 Agenda Conference.
