**RE:** Docket No. 990913-EI Complaint by Regina Walsh against Florida Power Corporation regarding backbilling

On August 27, 1999, Mr. Edward Boncek, attorney for Ms. Regina Walsh, requested that Item Seven, Docket No. 990913-EI, Complaint by Regina Walsh against Florida Power Corporation regarding backbilling, be deferred until the October 5, 1999 Agenda. Florida Power Corporation contacted Mr. Boncek and stated its desire to settle this matter. Because Ms. Walsh is out of the state and unaware of the settlement offer, staff believes that deferring this item will provide the parties sufficient time to negotiate. Staff believes that deferral is the most prudent course and should be granted.
