SUBJECT: DOCKET 990342-TP

Dear Sirs:

Sarasota County 9-1-1 strongly supports the Commission Staff's recommendations as proposed in Docket 990342-TP. These recommendations are summarized in three issues:

- Issue 1 Pertains to the collection and remittance of 9-1-1 fees.
- Issue 2 Provides for customer information to be shared with the county authority pursuant to 365.171.
- Issue 3 Requires ALECS to provide a list of all counties in which they operate, the number of access lines by county, and a contact person for each ALEC available seven days a week; 24 hours a day.

The Commission Staff has presented a very detailed and complete analysis of the above-noted issues. I strongly recommend that the full Commission adopt these proposed rule-making changes as presented.

____ Respectfully,

Robert Nibarger
