ORDER ACCEPTING SETTLEMENT OFFER

BY THE COMMISSION:

We performed a service evaluation on a pay telephone station operated by Tel Call Communication, Inc. (Tel Call or Company) on February 16, 1999. Through written correspondence, we notified Tel Call of the apparent violations. We then performed a reevaluation of the same pay telephone station on April 21, 1999. Although Tel Call had reported that all violations had been corrected, apparent violations of Rule 25-24.515(9)(a), Florida Administrative Code, discovered in the first inspection were still present in the reevaluation. Specifically, at Pay Telephone Station No. 202-0675
