RECORDS AND
REPORTING

TO WHOME IT MAY CONCERN:

Since 1977, we have been life-time lease holders at 886
Lacosta Lane in Buccanneer Estates, North Ft. Myers, Florida.

At the time of purchase, our mobile home was connected
to a sewer system as part of the purchase price.

If the owners of the mobile home park want to change the
sewer system, it is up to them to underwrite the cost.
THE RESIDENTS DO NOT OWN THE PROPERTY! We only lease a space
on which to park our mobile homes.

We therefore request that no leaseholder or owner of a
mobile home within the park be required to pay any of the
cost of converting the sewer system. And also, that the park
owners be required to lower and reduce the monthly lot rent
equal to the monthly charge which will be assessed by the new
utility company.
