Dear Mrs. Bayo:

AT&T is in the process of discontinuing certain services from its interstate tariffs and will be filing the appropriate documents at the FCC today. FCC rules also require that AT&T provide notice of these actions to state Public Service Commissions. Accordingly, pursuant to 47 CFR 63.71 of the Federal Communications Commission rules, this is to notify the Florida Public Service Commission that AT&T is applying to discontinue AT&T Easy Reach 500 Service and AT&T Easy Reach 700 Service, effective as of November 15, 1999. Attached is a copy of AT&T's Section 214 Application for Service Discontinuance for each of these services.

As shown in these applications, notice has been provided to affected customers regarding the discontinuance. As discussed in the attached documents customers have other options for the discontinued services.

Please contact me if you have any questions.

Sincerely,

Tracy Hatch
