DISCUSSION OF ISSUES

ISSUE 1: Should the Commission acknowledge withdrawal of BellSouth Telecommunication, Inc.'s request for approval of interconnection, unbundling, and resale agreement with Communication Service Integrated, Inc. and close this docket?

RECOMMENDATION: Yes. The Commission should acknowledge withdrawal of BellSouth Telecommunication, Inc.'s request for approval of the interconnection, unbundling, and resale agreement with Communication Service Integrated, Inc. and close this Docket.

STAFF ANALYSIS: As stated in the Case Background, BellSouth requested withdrawal of the original filing. The Commission approved the agreement at the August 17, 1999 Agenda Conference. However, the request to withdraw was filed prior to the issuance of an order. Thus, staff recommends acknowledging the withdraw in lieu of issuing an order approving the agreement between BellSouth Telecommunication, Inc. and Communication Service Integrated, Inc. No other matters remain for the Commission to address; therefore, staff recommends that this Docket be closed.
