Dear Paula:

I am respectfully submit this letter in response to Docket # 991193-TC. It is my understanding that our company incorrectly completed and filed the 1998 Regulatory Assessment Fee Return. Our CPA completed the form and did not take into consideration the Minimum Annual Fee. We have taken steps to ensure that this does not happen again. Please be assured that the error was an oversight. We would like to offer a settlement in the amount of \$100.00 to PSC. I spoke with Jackie Knight in Administration to calculate the amount owed in our behalf. We originally paid \$1.34 and should have paid \$50.00. We are sending a check to Fiscal Services to cover the following amount: \$48.66 in shortage of Fees, \$12.17 in Penalty and \$3.89 in interest, for a total of \$64.72. If you have any questions regarding this letter, please contact me at 407-454-3153 ext 23.

Sincerely,

David L. Stewart
