Re: Docket No. 991087-TI
Application for Approval of Transfer of Control of
Telecom Resources, Inc. to Ionex Telecommunications, LLC

Dear Ms. Bayo:

Ionex Telecommunications, LLC ("Ionex"), Telecom Resources, Inc. ("TRI"), and Advanced Communications Group, Inc. ("ACG") (Ionex, TRI and ACG, collectively, hereafter "Applicants") filed an application on August 10, 1999 for consent to transfer control of TRI from ACG to Ionex. In that application, Ionex proposed to use a wholly-owned subsidiary, Ionex Solutions, Inc., to purchase all outstanding shares of TRI.

Ionex writes to notify the Commission that Ionex Telecommunications, LLC has become Ionex Telecommunications, Inc., a Delaware corporation. In addition, Ionex Telecommunications, Inc. now proposes to accomplish the acquisition of TRI through the direct purchase of all outstanding shares of TRI, without the use of the wholly-owned acquisition subsidiary Ionex Solutions, Inc. Attached hereto is a revised illustrative chart depicting the corporate structure of the Applicants prior to and immediately following the transfer of control, which replaces the illustrative chart contained in the initial application as Exhibit A.

These minor revisions to Ionex's corporate structure – changing from a limited liability company to a corporation and simplifying the acquisition by eliminating Ionex's wholly-owned acquisition subsidiary – do not change other information provided in the initial application. The proposed transferee, Ionex Telecommunications, Inc., will continue to be majority owned and

controlled by Gilbert Global Equity Partners, L.P., with the same sources and amount of capital funding described in the initial application. The same management team described in the initial application will continue to lead Ionex Telecommunications, Inc. Finally, following closing of the stock purchase transaction, TRI will continue to operate as a wholly-owned subsidiary of Ionex, with no changes to the name of TRI or the manner in which services are provided in the State of Florida.
