====NOTE=====10/01/99=10:23am=  
Hey, Linda. I'm in the process of writing the recommendations for the 10/7 filing date, 10/19 Agenda. I need some changes and advice.

1. Docket (991172-TC; Victory Sales

Can this title be changed to "Request for Cancellation..."? The company requested cancellation.

2. Docket 991175-TC; CFL

I check the RAFs database before I open a docket and payment did not show up. I opened the docket 8/20 and RAFs show it was paid 8/4. Instead of closing this docket administratively, can I provide you with information about another company and keep the same docket number? Please let me know.

3. Docket 991158-TC; Captain Kosmakos

The docket title states the certificate # is 5467. The correct # is 5430. Can you please change?

4. Docket 991135-TC; Seacom

I always double check the docket title with my records and this shows that the reporting requirements has not been added (I know I only asked you to change the title yesterday -- this is just a gentle reminder.)

Thanks so much for all your help! Let me know about #2 question.

Paula, we're changing this docket to a voluntary cancellation per your request. Two things:

1. Can we get a copy of the company's request to cancel?
2. What should be the effective date of the cancellation?

Dear Mr. Newman:

The Commission's Division of Records and Reporting notified me that you had responded to its request for updated information with what appears to be a request for cancellation of your pay telephone certificate. You wrote a note on the form that stated "all phones removed from location and will not relocate them. I will sell them."

There are two kinds of cancellations. One is a voluntary cancellation in which the company requests cancellation and is in good standing with the Commission. The other is when the Commission cancels a company's certificate for a rule violation. If a pay telephone certificate is involuntarily canceled by the Commission for a rule violation, our rules state that a "new certificate will not be granted to any applicant who has previously had a certificate involuntarily canceled."

Commission records show that your 1998 regulatory assessment fee, which was due February 1, 1999, still has not been paid as of this date. A minimum \$50 fee is due each year by January 30 (or the next working day if the 30th falls on a weekend). If the company pays late, statutory penalty and interest charges are applicable. What this means is that if your regulatory assessment fee is postmarked in July 1999, you will owe \$65.50 (\$50 regulatory assessment fee, \$12.50 penalty, and \$3.00 interest). If your payment is postmarked in August 1999, you will owe \$66.00 (\$50 regulatory assessment fee, \$12.50 penalty, and \$3.50 interest). At that time, you could write the Commission a letter and request voluntary cancellation of your certificate. In addition, you would owe the 1999 regulatory assessment fee, which will become due January 31, 2000. For any given day during a calendar year that a certificate remains active, whether or not the company actually goes into business, that company is responsible for payment of regulatory assessment fees.

Please respond in writing by August 9, 1999 and let me know if you wish to request voluntary cancellation of your certificate. If so, you need to pay the 1998 past due amount and advise when you will pay the 1999 regulatory assessment fee. If the outstanding balance is not paid by August

Mr. Harold S. Newman

9, or I do not hear from you by August 9, I will have no choice except to open a docket to involuntarily cancel your pay telephone certificate.

Forwarding copy of my "updated information" for your information and further handling. No docket has been opened requesting cancellation of their certificate. Until that is done and an order is issued canceling their certificate, they will remain an "active" company

Thanking you in advance.
