Re: Docket No. 990950-TP Request by BellSouth Telecommunications, Inc. for approval of Interconnection, Unbundling, and Resale Agreement with the Other Phone Company, Inc. d/b/a Access One Communications

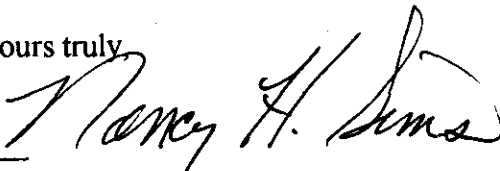

Dear Blanca,

On July 22, 1999, BellSouth and Access One Communications, Inc. filed their negotiated agreement for interconnection. Since that time, the Federal Communications Commission has made a decision on certain issues that may have an impact on this agreement. BellSouth and Access One are waiting for the FCC to release their order and will be discussing the impact, if any.

Therefore, BellSouth and Access One have agreed to waive the 90 day requirement for approval of the agreement. This in no way will impact the ability of Access One to receive service from BellSouth. We will be in touch with you as soon as possible as to what action will need to be taken in this docket.

Thank you for your cooperation in this matter.

Yours truly
