Subject: Docket No. 990961-TP Request by BellSouth Telecommunications, Inc. for approval of interconnection, unbundling, and resale agreement with Communication Services Integrated, Inc.

Dear Mrs. Bayo:

On August 19, 1999, BellSouth requested that the approved interconnection, unbundling, and resale agreement with Communication Services Integrated, Inc. be withdrawn. The Commission Staff has scheduled this request to be heard on the October 5th Agenda as Item No. 34.

With this letter, I am requesting that this item be deferred from the October 5th Agenda. There are minor changes to this contract that have been agreed to by both parties, and we are looking at the possibility of amending the contract instead of withdrawing the entire contract. This in no way will delay the provision of service to Communication Services Integrated, Inc.

I would appreciate your prompt attention to this matter. If you need any additional information, please let me know. Thank you.

Yours truly,

A handwritten signature in cursive script that reads "Nancy H. Sims".
