

ORIGINAL OCT 3, 1999

Dear Mr Isling

I thank you for your quick attention and response to my call I have filled out the Form you sent and have submitted a money order for the Sixty seven Dollars and Fifty cents. I hope you receive this before the Oct 5, leaving Locet # 991063 I am also enclosing my 50⁰⁰ regulatory Fee for 1999. I also ask that you give me some leniency on the Fine that is mentioned and ask that my Fine would be a maximum of one hundred Dollars, which would be a major hardship setback for me and my business.

I recently suffered a heart attack from the stress of being robbed by Sun City Vending and had a heart operation on Sept 23, at the Miami V A Hospital.

Sun City Vending advertisement in Trade magazines such as Prospector that they manage Phone Routes Plus they say they have three hundred Phones of their own but what they really do is steal the Parts of out of the Phones and replace them with broken parts from their Phones. They then run down the route that they are supposed to be managing and then solicit the location and put in their own Phones. They also go around at night and steal Phones. I am trying to reorganize my route but it has been very hard
