

Public Service Commission

DATE: October 7, 1999
TO: Joe Garcia, Chairman
FROM: Rick Moses, Division of Telecommunications *R*
RE: Late Filing for Docket Number 991222-TP

We are requesting permission to extend the filing time for docket number 991222-TP to noon Monday, October 11, 1999. This docket is the request for proposal regarding the relay system for the hearing and speech impaired. This docket was considered at the last agenda; however, one commissioner has requested to reconsider the dates listed in the RFP for the purpose of allowing the companies more time to respond to the RFP.

We will continue with the bidders conference scheduled October 14, 1999.
