====NOTE=====10/15/99==2:51pm=

The name of the ALEC in the CASR title and recommendation is "American MetroComm, Inc." The cover letter gives this name as well, but the agreement actually uses the name "American MetroComm Corporation"

.....
Are we changing the name to American MetroComm Corporation to agree with the agreement?

Fwd=by:=Cayce=Hinton==10/18/99==9:51am=
Fwd to: Linda Williams

.....
Yes, unless there was a specific reason they were listed by R&R as "Inc" on the CASR (besides the fact that the cover letter named them that way).

I have found that sometimes R&R will have the company name listed on their certificate a specific way, and will enter it in the CASR title to reflect that specific certificated name - even if it is slightly different then what is in the agreement (e.g., "Inc." instead of "Corp.")

.....
Well, we usually go with the certificated name; however this company is not certificated so we will go with what's on the agreement. We will change the docket title per this e-mail ok.

Thanks Cayce.
