Attorney for Chesapeake
Utilities Corporation

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Conservation-Cost Recovery

Docket No. 990002-EG

**AMENDED PETITION OF CHESAPEAKE UTILITIES CORPORATION FOR
APPROVAL OF
CONSERVATION COST RECOVERY FACTORS**

CHESAPEAKE UTILITIES CORPORATION, pursuant to Rule 25-17.015, Florida Administrative Code, hereby submits this amended petition to the Commission for approval of its conservation cost recovery factors listed hereinbelow to be applied to bills rendered for meter readings taken between January 1, 2000 and December 31, 2000. In support hereof, Chesapeake states:

1. The exact name of the Company and the address of its principal business office is:

Chesapeake Utilities Corporation
1015 Sixth Street NW
P.O. Box 960
Winter Haven, Florida 33882-0960

2. The name and address of the person authorized to receive notices and communications in respect to this docket is:

Wayne L. Schiefelbein
P.O. Box 13688
Tallahassee, Florida 32317
850-385-8598 (voice)
850-531-0011 (fax)

3. The conservation cost recovery factors were calculated in accordance with the methodology which has been previously approved by the Commission. The factors are designed to recover the actual conservation program expenses of Chesapeake Utilities Corporation for the period April 1, 1999 through July 1999, adjusted for the net true-

FPSC-RECORDS/REPORTING

up (which includes the estimated conservation true-up for the period August 1, 1999 through December 31, 1999), as well as interest calculated in accordance with the methodology established by the Commission. The calculation of the factors and the supporting documentation are contained in the prepared testimony of Chesapeake Utilities Corporation witness Beverly A. Bauck.

4. Chesapeake Utilities Corporation projects total conservation program expenses, net of all program revenues, of \$410,867 for the period January 2000 through December 2000. The net true-up is an underrecovery of \$132,928. After adding the projected conservation expenses to the amount of this underrecovery, a total of \$543,795 remains to be recovered during the period January 1, 2000 through December 31, 2000. Dividing this total among Chesapeake's firm rate classes and then dividing this result by the projected firm gas retail sales for the period by rate classification, and expanding for taxes, results in the following conservation adjustment factors for which Chesapeake Utilities Corporation seeks approval in this petition.

Rate Class	Adjustment Factor (cents per therm)
GS Residential	7.132
GS Commercial	2.248
GS Commercial LV	1.363
GS Industrial	0.753
Firm Transportation	0.726

WHEREFORE, CHESAPEAKE UTILITIES CORPORATION prays the Commission will grant this petition, and approve the above conservation adjustment factors to be applied to bills rendered for meter readings taken between January 1, 2000 and December 31, 2000, inclusive.

RESPECTFULLY submitted this 15th day of October, 1999.

A handwritten signature in cursive script that reads "Beverly A. Bauck". The signature is written in black ink and has a long, sweeping tail that extends to the right.
