SECTION 1 - TECHNICAL TERMS AND DEFINITIONS (Continued)

8. Call Forwarding Variable

This optional feature allows all incoming calls directed to a telephone number to be rerouted to another Subscriber defined telephone number. The Subscriber is charged any applicable usage charges for the rerouted call. The user can activate/deactivate Call Forwarding and define a telephone number where all calls will be forwarded.

9. Call ID

This feature provides the telephone number and name of the incoming calling party. The calling number and name are displayed on a customer-provided compatible display device, which is attached to the customer's telephone number.

10. Call Return

A per use service that returns the most recent incoming call.

11. Call Trace

This feature allows the Customer to initiate a trace of the most recent incoming call immediately after terminating the call. Incoming call message detail (date, time and originating telephone number) is provided when suitably equipped facilities exist. The results of the trace are not provided to the Customer directly, but will be provided in response to a request by a law enforcement agency. This feature is blocked unless specifically requested by the Customer to be activated.

12. Call Waiting

This is a feature that allows an incoming call to a busy telephone line to be waiting while a signal is directed towards the busy line user.

13. Carrier

The term "Carrier" denotes Global Crossing Telemanagement, Inc.

14. Carrier's System

The term "Carrier's System" denotes all local exchange facilities being resold by the Carrier to provide local exchange service to its Subscribers.

SECTION 1 - TECHNICAL TERMS AND DEFINITIONS (Continued)

15. Central Office End

The term "Central Office End" denotes that end of a foreign exchange channel at which Subscriber has a dial access to a telephone company central office.

16. Company

See Carrier.

17. Continuous Redial

A per use service that redials the most recent outgoing call.

18. Customer

See Subscriber.

19. Daytime

The term "Daytime" denotes 8:00 AM to but not including 5:00 PM local time at the originating terminal on Monday through Friday, excluding Global recognized national holidays.

20. Duplicate Service

Service furnished at two locations simultaneously when a subscriber's service is moved to a different premises. The move or change of location must be within the same Central Office and the class of service retained.

21. Evening

The term "Evening" denotes 5:00 PM to but not including 11:00 PM local time at the originating terminal on Sunday through Friday and anytime on Global -recognized national holidays except when a lower rate would normally apply.

22. Exchange Area

The term "Exchange Area" denotes a geographically defined area wherein the telephone industry through the use of maps or legal descriptions sets down specified areas where individual telephone companies hold themselves out to provide communications services. The Exchange Areas as noted in this tariff are the same as those offered by Bell South Telecommunications, Inc.; United Telephone Company of Florida; Central Telephone Company of Florida and GTE of Florida Incorporated (GTE).

SECTION 2 - RULES AND REGULATIONS

2.1 Description of Service

Global Crossing Telemanagement, Inc. is a reseller of local exchange services as set forth in this Price List. When Subscriber's needs cannot be met by the standard service offerings in this Price List, a "special Customer arrangement" package will be designed to fit such unique requirements in accordance with Section 2.18 of this Price List. The Carrier stands ready to provide technical assistance to the Subscriber to the extent of properly matching the Subscriber's equipment with that of the Carrier, in order to help him meet his requirements for service.

2.2 Undertaking of the Carrier

- .1 The services of the Carrier will be available as soon as practicable after receipt of an order for service between any and all points of the Carrier's system and to all other points beyond Carrier's system through arrangements with other carriers.
- .2 The obligation of the Carrier to provide service is dependent upon its ability to procure facilities which are required to meet the Subscriber's order for service. The Carrier will make all reasonable efforts to secure the necessary facilities.
