Dear Ms. Rivenbark,

Per our conversation regarding the start up of Source One Communications, Inc. My partner William Burns and I have filed an application with the Florida Public Service Commission to provide alternative local telecommunications service. Docket number 99-1442 was assigned to our application on 9/23/99. We would appreciate any recommendation your office could give us to receive our certificate from the FPSC. Should you need any additional information regarding our company please do not hesitate to call.
