Docket No. 991021-TC

This is a follow up to our telephone conversation concerning the past due regulatory assessment fees (RAFs), including statutory penalty and interest charges. If you want to keep your pay telephone certificate active, the company must pay the \$500 fine and past due RAFs amount in full. According to Commission records, the 1998 RAFs have not yet been paid, which were due 2/1/99, therefore penalty and interest charges are also applicable. If the company owes the minimum amount, the total fees are \$67.00 (\$50.00 RAF, \$12.50 penalty, and \$4.50 interest). In addition, you owe the \$500 fine, which must be received at the Commission by October 19, 1999. Therefore, the total amount of your check should be \$567.00. The 1998 RAF form is attached, which should be completed and returned with your check.

I will notify the Commission's Division of Records and Reporting of your new address (3141 West 76th Street, Suite 7, Hialeah, FL 33018). Your check should have Docket No. 991021-TC and the company name, Fast Wash, written on the check so that it will be credited to properly. The check should be made out to the Florida Public Service Commission and the check and 1998 RAF form should be addressed to Ms. Blanca Bayó, Director, Division of Records and Reporting Florida Public Saru
