Dear Ms. Bayo:

I am in receipt of your fax transmission regarding Global Long Distance d/b/a 800 Customers Service (Docket No. 991515-TI), and its current case assignment.

It would appear that the case assignment deals with the proposed cancellation by Florida Public Service Commission of Global's Interexchange Telecommunications Certificate (No. 3963), relating to a alleged violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees: Telecommunications Companies (see following).

In that regard, and in an effort to avoid this action, please provide me with additional information as to the fee and/or fee(s) to which the commission is referring; as well as, and steps Global can take to correct this situation, if in fact, it is currently in violation of the above referenced rule.

Thank you for bringing this matter to my attention, whereby I can hopefully correct this issue without the necessity of any further commission action.

Sincerely,

Larry G. Shipp
