Directory Assistance Service is furnished upon customer request for assistance in determining telephone numbers. The regulations and rates set forth below apply when customers request assistance in determining telephone numbers.

3.9.2 Regulations

3.9.2.1 Monthly Call Allowance

An allowance of two (2) direct dialed Directory Assistance calls per month without charge is permitted for each residence service line. Call allowances or calls are not transferable between separate accounts of the same customer.

3.9.2.2 Multiple Number Request

A maximum of two (2) requested telephone numbers per call are permitted.

3.9.2.3 Exemptions

Subscribers who have applied for and have received Company certification as being unable to use a telephone directory due to a visual or physical disability which can be confirmed by a physician, appropriate group, or agency are exempt from charges for Directory Assistance calls when requesting telephone numbers of lines located within the Company's local calling area for the originating line. Written confirmation must be provided to the Company for this exemption to apply. Application procedures may be obtained by calling the local business office. This exemption is applicable exclusively to calls made by the individual from their line. Usage will be monitored by the Company and is subject to review and investigation. Certification will be verified periodically. Confirmed, inappropriate use of the exemption could result in its removal.
