Re: Docket No. 990909-TC
State: Florida

Dear Ms. Bayó:

This letter is a follow up to my telephone conversation with a representative from your office regarding a settlement offer. We have asked our staff to remind us in January of each year that a payment has to be made. This reminder should prevent this error from occurring again, which has not only inconvenience us, but has also cost us money at a time when were are on a tight budget.

Thank you for your cooperation and understanding.

Sincerely,

Jose Trujillo
