NOTICE OF RATE CHANGES

Mid-County Services, Inc. will be changing the wastewater rates for its customers in Pinellas County effective for the first bill rendered after the Florida Public Service Commission (FPSC) approves the Utility's new tariff sheets.

These rate changes are the result of the FPSC's Final Order No. PSC-99-1912-FOF-SU issued on September 27, 1999 in FPSC Docket No. 971065-SU after a full investigation and hearing on the Utility's rate increase application. For most customers, the approved final rates represent a decrease from the interim rates that are currently in effect. The Utility will be refunding, with interest, a portion of the amounts collected under interim rates.

The approved monthly rates are as follows:
