Re: Docket No. 991633
Request for Name Change
Certificate No. 5686 from World Telecommunications, Inc. w/o/a WTI to
Telenet.Com, Inc.

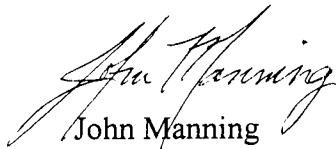

Dear Mr. Williams:

You are hereby notified that World Telecommunications, Inc. objects to Timothy DeDiego's request for a "name change" on Alternative Local Exchange Telecommunications Certificate no. 5686. Timothy S. DeDiego is no longer an officer or director of WTI and is not an agent of the corporation for any purpose. He therefore has no authority to request a name change.

In fact, by requesting this so-called "name change", Mr. DeDiego is in fact attempting to transfer the license, an asset of WTI, to a completely different corporation that is under his control. This is improper as Mr. DeDiego has no legal authority to transfer any of the assets of WTI, including its ALEC license, to another corporation.

Thus, I am respectfully requesting that the Florida Public Service Commission deny Mr. DeDiego's request for a "name change."

Sincerely,

John Manning
Acting President
