Docket No. 981444-TP

Filed: November 3, 1999

**AERIAL COMMUNICATIONS, INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Aerial Communications, Inc. ("Aerial"), by and through its undersigned counsel, and pursuant to Rule 25-22.006, Florida Administrative Code, files this Request for Confidential Classification within twenty-one days of filing its Notice of Intent to Request Confidential Classification, and states:

1. Aerial requests that the document attached hereto as Attachment "A" be classified as "proprietary confidential business information" within the meaning of Section 364.183, Florida Statutes (1997). Attachment "A" is an edited version of the document on which the information asserted to be confidential has been blocked out by the use of an opaque marker. An unedited version of the information contained in Attachment "A" was submitted to the Division of Records and Reporting on October 15, 1999, together with Aerial's Notice of Intent to Request Confidential Classification for this document and is provided herewith under a separate cover marked "confidential" with the information asserted to be confidential highlighted in yellow.

2. The attached document contains existing and projected NXX Code utilization information for Aerial's operations in Florida, including, for each NXX code, data reflecting the: (a) the number of available 1,000 blocks with less than 10% contamination; (b) number of aging numbers; (c) number of telephone numbers available for reassignment; (d) number of reserved telephone numbers; and (e) number of assigned and active telephone numbers for each 1,000 block.

FPSC-RECORDS/REPORTING

Aerial's current and projected utilization of NXX codes and the related NXX code utilization data described above is "proprietary confidential business information" as contemplated by Section 364.183(3), Florida Statutes (1997), because such information is intended to be and is treated by Aerial as highly sensitive, private and confidential information and the public disclosure of such information would cause harm to Aerial's competitive interests and business operations by enabling Aerial's competitors to analyze such information and gain knowledge concerning Aerial's market share and marketing strategies.

WHEREFORE, Aerial respectfully requests that the Commission issue an order declaring that the information reflected in the document attached hereto as Attachment "A" is proprietary confidential business information and exempt from disclosure under the public records laws of the State of Florida.

Respectfully submitted,

Kenneth A. Hoffman, Esq.
