DOCKET NO. 990037-EI  
FILED: November 4, 1999

**TAMPA ELECTRIC COMPANY’S MOTION TO STRIKE SUPPLEMENT  
TO PETITION TO INTERVENE OF CORONET INDUSTRIES, INC.**

Tampa Electric Company (“Tampa Electric” or “the company”) moves the Commission for an entry of an order striking the Supplement to Petition to Intervene of Coronet Industries, Inc. (“Coronet”) filed on behalf of Coronet on October 20, 1999 in the above docket and, as grounds therefor, says:

1. On September 10, 1999 the Commission entered its order<sup>1</sup> approving the closure of interruptible service rate schedules to new customers and approving new load management rate schedules. The “Notice of Further Proceedings” portion of the order stated that any petition for a formal proceeding must be received by the Commission by the close of business on October 1, 1999.

2. Coronet’s Supplement to its Petition to Intervene was filed on October 20, 1999, after the expiration of the protest period, and represents a belated request that the Commission institute a formal proceeding. As such, it was filed outside the permissible protest period contained in the Commission’s order and should be stricken for having been filed out of time.

WHEREFORE, Tampa Electric submits the foregoing in support of its Motion to Strike the Supplement to Petition to Intervene filed on behalf of Coronet Industries, Inc. on October 20, 1999.

<sup>1</sup> Order No. PSC-99-1778-FOF-EI

DATED this ~~7~~<sup>th</sup> day of November 1999.

Respectfully submitted,

---
