WITHOUT PREJUDICE, SUBJECT TO SETTLEMENT PRIVILEGE
THE TRAIN-TEL COMPANY'S PROPOSED OFFER FOR SETTLEMENT

Train-Tel stands by its response to the Order to Show Cause, but proposes this offer for settlement to resolve this proceeding.

Train-Tel has been informed that the earliest this matter could be set for a hearing would be June of next year. Train-Tel is sympathetic to the congested docket at the Public Service Commission, so in an effort to expedite this matter without taking more of the PSC's valuable time and resources, Train-Tel offers to pay \$500.00 (five-hundred dollars) to settle all claims in this proceeding.

This offer is an effort to save the PSC and Train-Tel from expending any more time and resources in concluding this matter and in no way admits to or waives any defenses to the proposed violations. This offer is valid for 30 days from the date the PSC receives this proposal for settlement.

Train-Tel is anxious to conclude this matter and respectfully requests the Commission to accept its offer for settlement.

Thank you for your time and consideration. Please feel free to contact The Train-Tel Company if you have any questions.
