BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Adoption of Numeric Conservation)
Goals and Consideration of National Energy) Docket 990721-EG
Policy Act Standards (Section 111) by Florida) Dated: November 10, 1999
Public Utilities Company)
_____)

MOTION FOR EXTENSION OF TIME

Comes now Florida Public Utilities Company ("FPUC") through undersigned counsel and requests an extension of time to file direct testimony in this docket. As grounds, FPUC would state:

1. On October 28, 1999, the Commission entered Order No. PSC-99-2134-PCO-EG establishing the procedures for this docket, including dates for filing testimony and other events.

This docket was opened for the purpose of establishing numerical conservation goals for FPUC.

2. The procedural order establishes November 15, 1999, as the date to file direct testimony and FPUC would request that this be extended to November 30, 1999. The company intends to request that the currently established goals be continued and the additional time is needed in order to address issues associated with that proposal and to collect the information necessary for the testimony.

3. FPUC does not believe that the requested extension will affect the dates for this docket. There are not formal interveners in this case thus there is no party to be affected by the extension.
