Dear Mr. D'Haeseleer:

Enclosed for filing are the original and three (3) copies of a tariff revision for Long Distance of Michigan, Inc., d/b/a LDMI Telecommunications, also d/b/a FoneTel. As described in my letter to Thomas B. Williams dated May 27, 1999 (see attached), this filing adds the "FoneTel" d/b/a and the current intrastate FoneTel products to the LDMI Florida tariff. At this time, we request that FoneTel's operating authority and tariff be withdrawn.

In addition, this filing also changes LDMI's d/b/a from LDMI Long Distance to LDMI Telecommunications. This d/b/a change and the addition of the FoneTel d/b/a are reflected in the enclosed labels for use by the Commission Staff in updating the Company's tariff.

The Company respectfully requests an effective date of October 19, 1999.

The pages included in this filing are as follows:

1st Revised Sheet 2
1st Revised Sheet 3

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it in the self-addressed stamped envelope provided for this purpose. Questions regarding this filing may be directed to my attention at (407) 740-8575.

Re: Acquisition of Certain Assets of American Telcom, Inc., d/b/a FoneTel by Long Distance of Michigan, Inc., d/b/a LDMI Long Distance

Dear Tommy:

To follow up on our conversation yesterday, this letter describes the steps I will take on behalf of American Telcom, Inc., d/b/a FoneTel ("FoneTel") and Long Distance of Michigan, Inc., d/b/a LDMI Long Distance ("LDMI"), in the context of Florida operating authority and associated tariffs, to properly transition the relevant FoneTel assets to LDMI.

To summarize, on February 8, 1999, FoneTel filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Michigan. FoneTel subsequently filed a motion for the Bankruptcy Court's approval of the sale of certain assets to LDMI under an Asset Purchase Agreement ("Agreement") as the best way to maximize creditor recoveries and preserve uninterrupted service to their customers. Under the Agreement LDMI will acquire at closing various FoneTel assets, including the name, customer accounts, and Carrier Identification Code (CIC). On April 9, 1999, the Bankruptcy Court approved FoneTel's motion and authorized and directed FoneTel to sell its assets to LDMI as provided in the Agreement (Exhibit A). On or around July 9, 1999, the Conversion Period will end thereby transferring the ongoing operation and maintenance of the subject assets to LDMI. LDMI will provide service to FoneTel's customers under the same rates, terms, and conditions as currently provided for in FoneTel's tariffs and contracts. LDMI plans to provide a seamless transition for existing FoneTel customers.

To that end, based on our conversation yesterday, FoneTel customers will continue to be served under FoneTel's operating authority and associated tariff in Florida until LDMI adds the "FoneTel" d/b/a, as well as the current intrastate FoneTel products, to the LDMI Florida tariff. This filing will occur once the conversion period closes and the necessary documentation can be processed with the Secretary of State. At that time we will request that FoneTel's operating authority and tariff be withdrawn.

Please acknowledge receipt of this mailing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for this purpose.

Questions regarding this mailing may be directed to my attention at (407) 740-8575.
