ORIGINAL

INTERVENORS' MOTION FOR CONTINUANCE

The Citizens of the State of Florida, and Intervenor Mike Fasano, by and through JACK SHREVE, Public Counsel, (Intervenors) move the Florida Public Service Commission (Commission) to continue the evidentiary hearing scheduled in the above-captioned docket, and in support thereof say:

- 1) On November 15, 1999, Intervenors learned that the evidentiary hearing scheduled in the above-captioned docket had been rescheduled from December 13 and 14, 1999 to December 16 and 17;
- 2) Upon information and belief, Intervenors are advised that many customers upon whom resolution of the issues in this docket will have material impact have scheduled holiday absences from the service area -- indeed many have relied upon the original hearing dates as the point after which they might immediately leave the service area;
- 3) Moreover, many similarly situated customers of the utility will be receiving guests in their home for the holidays, thus frustrating their attendance at the hearing;
- 4) On further information and belief, the Intervenors note the lessened availability of a hearing room or site of adequate size to accommodate the number of customers and other interested persons who are likely to attend
