Issue 7: Should the rates approved by Order No. PSC-96-0062-FOF-WS be modified?

Recommendation: Yes. The rates set forth in the analysis portion of staff's November 4, 1999 memorandum are appropriate for all metered customers of the utility. The utility should file revised tariff sheets reflecting the approved rates within thirty days of the effective date of the order. The approved rates should be effective for service rendered on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475(1), Florida Administrative Code, provided the customers have received notice. The rates may not be implemented until proper notice has been received by the customers. The utility should provide proof of the date notice was given within 10 days after the date of the notice.

Issue 8: Should a vacation rate be established for this utility?

Recommendation: No.

Issue 9: Should a new class of service for residential irrigation service be established for this utility?

Recommendation: Yes, a new class of service for residential irrigation service for the mobile home park should be established. The appropriate rate should be the utility's water gallonage charge. The utility should file a tariff sheet reflecting the approved rate within thirty days of the effective date of the order. The approved rate should be effective for service rendered on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475(1), Florida Administrative Code, provided the customers have received notice. The rate should not be implemented until notice has been received by the customers. The utility should provide proof of the date notice was given within 10 days after the date of the notice. The utility should be allowed to notice the new class of service in conjunction with the notice of rates required in Issue 7. Additionally,
