**DISCUSSION OF ISSUES**

**ISSUE 1:** Should the Commission accept the settlement offer proposed by Global Tel\*Link Corporation to resolve the apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees; Telecommunications Companies?

**RECOMMENDATION:** Yes. The Commission should accept the company's settlement proposal. Any contribution should be received by the Commission within ten business days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the company fails to pay in accordance with the terms of the Commission Order, the company's certificate should be canceled administratively. (Isler)

**STAFF ANALYSIS:** After the docket had been opened, but prior to staff taking a recommendation to the Agenda Conference, the company paid the past due amount in full, including statutory penalty and interest charges, and offered a settlement in the amount of \$100 and proposed to pay future RAFs on a timely basis.

Accordingly, staff believes the terms of the settlement agreement as summarized in this recommendation should be accepted. Any contribution should be received by the Commission within ten business days from the date of the Commission Order and should identify the docket number and company name. The Commission should forward the contribution to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the company fails to pay in accordance with the terms of the Commission Order, the company's certificate should be canceled administratively.
