Re: Docket No. 980281-TP - Complaint of MCI Metro Access Transmission Services, Inc. against BellSouth Telecommunications, Inc. for breach of approved interconnection agreement.

Dear Messrs. Melson and Craver:

Pursuant to a telephone conversation with Mr. Melson and Mr. O'Rourke, this Docket will remain open until February 15, 2000. During that time any outstanding issues will be resolved or brought to Commission Staff for informal assistance. If, by February 15, 2000, issues still remain unresolved, one of the parties must file for formal resolution or staff will consider all issues resolved and close the docket.

Should you have any questions or if staff can provide any assistance, please feel free to contact me.

Sincerely,

Diana Caldwell
